HOOFLAND'S GERMAN BITTERS,

AND

Hoofland's German Tonic.

THE GREAT REMEDIES

FOR ALL DISEASES OF

THE LIVER, STOMACH, OR DIGESTIVE ORGANS.

HOOFLAND'S GERMAN BITTERS

Is composed of the pure juices (or, as they are medically termed, *Extracts*) of Roots, Herbs, and Barks, making a preparation, highly concentrated, and entirely *free from alcoholic admixtures of any kind.*

HOOFLAND'S GERMAN TONIC

Is a combination of all the ingredients of the Bitters, with the purest quality of *Santa Cruz Rum*, Orange, &c., making one of the most pleasant and agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcoholic admixture, will use

Hoofland's German Bitters.

Those who have no objection to the combination of the Bitters, as stated, will use

Hoofland's German Tonic.

They are both equally good, and contain the same medical virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing as it does with the Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

CONSTIPATION, FLATULENCE, INWARD PILES, FULLNESS OF BLOOD TO THE HEAD, ACIDITY OF THE STOMACH, NAUSEA, HEART-BURN, DISGUST FOR FOOD, FULLNESS OR WEIGHT IN THE STOMACH, SOUR ERUCTATIONS, SINKING OR FLUTTERING AT THE PIT OF THE STOMACH, SWIMMING OF THE HEAD, HURRIED OR DIFFICULT BREATHING, FLUTTERING AT THE HEART, CHOKING OR SUFFOCATING SENSATIONS WHEN IN A LYING POSTURE, DIMNESS OF VISION, DOTS OR WEBS BEFORE THE SIGHT, DULL PAIN IN THE HEAD, DEFICIENCY OF PERSPIRATION, YELLOWNESS OF THE SKIN AND EYES, PAIN IN THE SIDE, BACK, CHEST, LIMBS, ETC., SUDDEN FLUSHES OF HEAT, BURNING IN THE FLESH, CONSTANT IMAGININGS OF EVIL, AND GREAT DEPRESSION OF SPIRITS.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations an Inquiries possesses true merit, is skillfully compounded, is free from injurious ingredients, and has established for itself a reputation for the cure of the above diseases. In this connection we would submit those well-known remedies—

HOOFLAND'S GERMAN BITTERS

AND

HOOFLAND'S GERMAN TONIC.

PREPARED BY *DR. C. M. JACKSON,*
PHILADELPHIA, PA.

Twenty-two years since they were first introduced into this country from Germany, during which period they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any or even a dozen other remedies.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, and other diseases arising from a Disordered Liver, Stomach, or Intestines.

DEBILITY,

Resulting from any Cause whatever; PROSTRATION OF THE SYSTEM, induced by Severe Labor, Hardships, Exposure, Fevers, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE,

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this BITTERS, or the TONIC, an elixir that will instil new life into the veins, restore in measure the energy and buoyancy of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE.

It is a well-established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health; or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the BITTERS, or the TONIC, is especially recommended.

WEAK & DELICATE CHILDREN

Are made strong by the use of either of these remedies. They will cure every case of MARASMUS, without fail.

Thousands of certificates have accumulated in the hands of the proprietors, but space will allow of the publication of but few. Those, it will be observed, are men of truth and of such standing that they must be believed.

TESTIMONIALS.

Hon. Geo. W. Woodward,

Chief Justice of the Supreme Court of Pa., writes:

Philadelphia, March 16, 1867.

"I find 'Hoofland's German Bitters' is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system. Yours truly,

GEO. W. WOODWARD."

Hon. James Thompson,

Judge of the Supreme Court of Pennsylvania.

Philadelphia, April 29, 1868.

"I consider 'Hoofland's German Bitters' a *valuable medicine* in case of attacks of indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect,

JAMES THOMPSON."

From Rev. Joseph H. Kennard, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, under my own roof, in my family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express you, (*worth $0 per acre, more than those offered by any other concern,*) according to use of club. Send me trial club, or if not to do fail to send for a circular.

N. B.—Our sale should not be classed with New York dollar jewelry sales or bogus "Tea Companies," as it is nothing of the sort.

*And—In and by virtue of the fifth section of the act of the 27th, 1840, every person excepting Justices of the Peace, who shall hold any office or appointment of profit or trust under the legislative, executive or judiciary department of this State, or of the United States, or any city or incorporated district, and also that every member of Congress and of the State Legislature, and of the Select or Common Council of any City or Commissioner of any incorporated district, is by law incapable of holding or exercising at the same time, the office or appointment of Judge, Inspector or Clerk of any election of this Commonwealth, and that no Judge, Inspector, or other officer of any such election, shall be eligible to any office to be then voted for.

And in the 9th section of the act of Assembly entitled "An Act relating to executions, and for other purposes," approved April 16th, 1840, it is enacted that the aforesaid 5th section "shall not be construed, as to prevent any militia officer or borough officer, from serving as judge inspector or clerk, at any general or special election in this Commonwealth."

And in an Act of the General Assembly of this State, passed the 31 day of July, 1839, it is directed that the Inspectors and Judges be at the places of their districts on the day of General Election aforesaid, at 9 o'clock in the forenoon, to do and perform the several duties required and enjoined on them in and by the same act.

And be it further directed, in and by the Act of the General Assembly of this State, aforesaid, that one of the Judges of each of the different districts, respectively, shall have the charge of the certificates of the number of votes which shall have been given for each candidate for the different offices then and there voted for at their respective districts, and shall meet the third day after the election, which shall be on FRIDAY, THE 16TH DAY OF OCTOBER aforesaid, at the Court-house, in the Borough of Gettysburg, then and there to make a fair statement and certificate of the number of votes, which shall have been given at the different districts in the county of Adams for any persons for the offices aforesaid.

Sheriff's Office, Gettysburg, Sept. 14, 1868.

*Election officers will take notice that the act entitled "A Further Supplement to the Election Laws of this Commonwealth," disqualifying deserters from the army of the United States from voting, has recently been declared unconstitutional by the Supreme Court of Pennsylvania, except so far as it disqualifies from voting persons duly *tried* and convicted of desertion, and is now null and void. All persons, therefore, who have formerly disqualified thereunder with the exception named, are now lawful voters, if otherwise qualified.

SEYMOUR & BLAIR!

Democratic

MASS MEETING!

A grand Mass Meeting of the friends of Seymour and Blair will be held in

GETTYSBURG,

On Saturday, Oct. 10, 1868.

Among the speakers on the occasion will be

GOVERNOR PILLSBURY, of Maine,
Hon. ELI P. NORTON, of New York,
Hon. SAM. H. REYNOLDS, of Lancaster, Pa.,
Hon. G. W. BREWER, of Chambersburg, Pa.,

and others. Arrangements are being perfected for one of the most imposing political demonstrations ever witnessed in this region.

The people of Adams and surrounding counties are invited to come in their strength. Come in the cars, in wagons, carriages, buggies, on horseback, afoot—any way and every way! Bring music, flags, banners, hickories, wreaths, flowers, everything that may contribute to the grand display.

Distinguished speakers from different parts of the Union will address you. The issues of the campaign will be fully presented and ably discussed.

All in favor of ECONOMY and REFORM, and the preservation of our Government under the rule of WHITE MEN, are urged to attend—to rally as a mighty host, demanding A CHANGE!

By order of Co. Ex. Com.,
H. D. WATTLES, Ch'n.
Gettysburg, Oct. 2, 1868.

Democratic Meetings!

RALLY! WHITE MEN, RALLY!

Democratic meetings will be held as follows:

At Caledonia Cold Spring Schoolhouse, on MONDAY AFTERNOON, Oct. 12th, at 2 o'clock.

At Geo. A. Corwell's, in Franklin township, on MONDAY evening, Oct. 12th.

Several speeches may be expected at each meeting.

White men, your country calls. Turn out! Turn out!

VOTE for BOYLE and ENT—pure and trustworthy men.

TUESDAY NEXT!

Democrats and Conservatives of Pennsylvania, are you ready for the great struggle at the ballot box on TUESDAY NEXT? Your dearest interests are at stake! Your liberties are in danger!

Millions of hearts are beating for your success. If the old Keystone shall on that day record her verdict against corrupt and ruinous Radicalism, joy will fill the land. It will inspire our ranks everywhere, and make victory in November easy.

☞TO THE POLLS, then, all friends of the white man's cause! Carry the enemies' works in OCTOBER, and they will not be able to rally by November. TO THE POLLS! TO THE POLLS!!

$100 REWARD!

Freedom of conscience is a sacred right and lies at the very foundation of American liberty. Is the man who is in favor of the abridgment of this dear and cherished right, to be trusted as a legislator for the people? This question is suggested by the fact that John Cessna, Esq., of Bedford, is a candidate for Congress. In 1863 Mr. Cessna was a member and Speaker of the House of Representatives of Pennsylvania. A bill was introduced in that body entitled,

"*An Act providing for the payment of money by those who conscientiously scruple to bear arms.*"

This bill was strongly supported by Mr. Cessna. It will be remembered that a State Draft was made in 1862, and that many persons, who, from religious principles, scrupled to bear arms, were exempted under the provisions of the Constitution. This bill was intended to compel such men to pay large sums of money for holding such conscientious scruples. The original bill provided for the payment of a penalty of $300.00, by each and every one of these conscientious men. Mr. Benedict, of Huntingdon, moved to amend by inserting $132.00 instead of $300.00. On this motion, Mr. Cessna voted NO. Mr. Twitchell then moved to insert $200.00 in lieu of $300.00. On this motion, Mr. Cessna again voted NO. The vote was then taken on the final passage of the bill, providing for the penalty of $300.00, and on this Mr. Cessna voted AYE. *See House Journal for 1863, pages 766, 786, 800, 901, 802, and 803.*

This bill was specially leveled at the religious views of the Dunkards, Quakers and Mennonists of the State. It passed the House through Mr. Cessna's influence, but failed in the Senate.

In order to prove that this is TRUE and not a mere electioneering document, the undersigned will pay ONE HUNDRED DOLLARS REWARD to any man who will show that anything in the above statement is incorrect.

B. F. MEYERS.
Bedford, Sept. 25, 1868.

VOTE! VOTE!

Rain or shine, Democrats, go to the election NEXT TUESDAY. Take your old and infirm neighbors with you. See that every friend of Economy and Reform gets there. Leave not a vote behind!

The signs are promising. A FULL VOTE will carry Pennsylvania for the Democracy! And with Pennsylvania on Tuesday, we will sweep the Union in November. Remember this, and get out EVERY VOTE!

A BLACKGUARD SQUELCHED.

A dirty nose rag in McConnellsburg, which, doubtless, represents the gentility of Radicalism in Fulton county, dares us to verify, by affidavit, what we printed in the *Gazette* some time ago in regard to Tom Mar

he will have no one to blame so much as himself, for he should have expected the courtesies of the occasion, and the "obligations of good taste." He should have supported the law, and been willing to take his FR HOLTZER.

GIVE US A CHANGE!

People of Pennsylvania, by your votes on Tuesday next give us a change—

A change of State Officials;
A change of National Officials;
A change of Congress;
A change of the Legislature.

The arguments in regard to the question, why a change is necessary, have been long since exhausted, and we shall not occupy space in reiterating them.

But in brief:

The Radicals have wronged you and ronged the country in every respect. They have increased the expenses of the Government, State and National, to fold.

And these increased expenses the labor of the country has to pay, in taxes, very year.

They have saddled upon us a debt of 2,600,000,000, on which the labor of the country has to pay annually, in axes, an interest amounting to about 150,000,000.

They are, every month, increasing his debt and this exhausting taxation.

They have run the country upon the very verge of absolute bankruptcy, nd if continued in power another ear, they must increase the taxation, r close the treasury against all demands and declare the nation a swindler and a pauper.

These are the financial wrongs they ave committed.

They are enormous, and should overhelm them with public indignation; *Should hurl them from power;*

Should destroy them forever as a poical party.

But they have committed greater wrongs:

They have trodden down the Constitution—they have declared that it is not binding upon them—they boast hat they have legislated "outside of t."

Do you know what this means?

Death to your government;

Death to Liberty;

A Congressional oligarchy, or a military despotism.

Such must be the inevitable result of Radical policy.

Any school boy who has read history or twelve months will tell you so. *Nothing has never changed since* od placed man upon the face of the arth, and the causes which overthrew ormer Republics, in other ages, will verthrow ours now, if you continue he Radicals in power, for they have hown themselves to be the enemies of he government.

They contemn the Constitution, which is the only guarantee of liberty o the people.

They have placed under military and Freedmen's Bureau despotism the ree white people of ten States of this Union and debarred most of them from ll political privileges, while they have nfranchised the negro, and made him power that may govern the country.

Their Reconstruction acts, under which these great wrongs have been erpetrated, are null and void, being nconstitutional, and yet they are upheld and enforced at the point of the ayonet.

Think of it, people of Pennsylvania.

Is not the Constitution already overthrown? Are not your liberties seriously menaced by a party whose representatives in Congress recklessly pervade themselves for the sake of maintaining power?

O! these are serious questions. Ponder them well, and vote conscientiously on Tuesday next.

Vote to turn the tyrants, the violators of the Constitution, the usurpers, the plunderers, who have robbed the poor to enrich themselves, the modern Goths and Vandals, vote to turn them out of office and power, and place the government, once more, in the control of Democratic patriots and statesmen, who alone can save it from destruction.

Be Sure to Vote!

Every Democrat and every Conservative, without one solitary exception, should be at the polls on TUESDAY NEXT! Whoever fails to go will fail to perform the solemn duty he owes to his country. This is no time to stay at home from light and trifling causes. The political situation is one of great gravity, and the Conservative voter who stays away from the polls will incur a responsibility of no ordinary weight.

LOOK OUT FOR A RAINY DAY.

Democrats must be prepared to turn out next Tuesday, at the polls, rain or shine. They must bring their whole strength out in spite of "wind or weather," and the Democrat who minds a little rain on that day, if it should storm, is nothing more than a fair weather patriot. Every man must turn out if it is clear, and make a bigger effort if it rains.

GOVERNOR PILLSBURY, of Maine, will address the Mass Meeting to-morrow.

RADICAL speakers denounce Democrats as "rebels" and "traitors," and set Radical candidates ask Democrats for their votes. "Shinny on your own side!" Democrats don't mean to kiss the hand that is trying to slap them in the face.

THE news from Ohio is cheering. The Radicals concede a loss in the Congressional delegation.

Indiana, too, is looking better every day. Our friends are confident of carrying the State.

Democrats of Pennsylvania, do your duty, and all will be well.

Democrats of Adams, a share of this work is in your hands. Will you not perform it to the getting out of the last man?

VOTE The Whole Ticket!

Democrats, vote the whole ticket, first EXAMINING EVERY NAME. The Radicals will have various tickets at all the polls—tickets handed out as Democratic, but embracing the name of this or that Radical candidate.

LOOK OUT

for "the snake in the grass"—"the nigger on the wood-pile!"

We subjoin the full Democratic ticket—to be voted in three parts, "Judiciary," "State," and "County"—as follows:

JUDICIARY.

Associate Judge,
Joseph J. Kuhn.

STATE.

Auditor General,
Charles E. Boyle.

Surveyor General,
Wellington H. Ent.

COUNTY.

Congress,
Francis M. Kimmell.

State Senator,
Calvin M. Duncan.

Assembly,
Dr. Armstrong B. Dill.

Prothonotary,
Jacob Melhorn.

District Attorney,
William A. Duncan.

County Commissioner,
Moses Hartman.

Director of the Poor.
Benjamin Deardorff.

County Auditor,
Eli G. Heagy.

County Surveyor,
Jesse D. Keller.

☞Remember, fellow Democrats, that to secure a full VICTORY in Adams, we must vote THE WHOLE TICKET, AND NOTHING BUT THE TICKET!

THE MASS MEETING *TO-MORROW!*

Capt. McCurdy, Chief Marshal, is perfecting his arrangements for the Mass Meeting to-morrow.

He will have his headquarters at the Court-house, where Aids and Assistant Marshals will report—as early as 9 o'clock, if possible.

It is suggested that Democrats in town do something in the way of decorating their houses with evergreens, &c. The time is short, we know, but a few hours of energetic work may accomplish much.

Our cause is a glorious one. Good government and the purity of our race depend upon its success. What Democrat will hesitate to give a little of his time to further it? To work, then, at once, and with a will!

Election Next Tuesday!

THE friends of Col. Dixon, the Republican candidate for State Senator, do not claim for him the ability which the position requires. They say he is a clever man, and that is all. We can say the same of Calvin M. Duncan, with the addition that he is a man of ability and a forcible public speaker—energetic and practical.

All in all, Mr. Duncan is just such a man as this district needs in the Senate, to stand by and advocate the interests of our people. To border sufferers, he appeals with double force, *having been himself a heavy loser.* In his hands they will find their interests entirely safe—no "memorial" appropriation will be allowed to defeat injured sufferers' honest claims.

THE DESERTER LAW.

Remember that no one can be denied the right to vote on a charge of desertion, *unless it is proven that he has been regularly tried by a court martial and duly convicted.* Francis Jordan, the Secretary of the Commonwealth, wrote to the Sheriff of Huntingdon county as follows:

"*THE DECISION OF THE SUPREME COURT TO WHICH YOU REFER, DECIDED THE LAW UNCONSTITUTIONAL SO FAR AS RELATES TO DESERTERS WHO HAVE NEVER BEEN TRIED BY COURT MARTIAL.*"

Let that be shown to the election officers, and if any one of them disregards the law, let a civil suit for damages be instituted against him. They cannot escape if sued. Let that be well understood.

Mass Meeting To-morrow!

TAX-PAYERS, LOOK HERE!

The costs on bills of indictment paid by the county in three years, under A. J. Cover's District Attorneyship, amount to $4,500.

The same, while Wm. A. Duncan prosecuted, in the same time, amounted to but $1,775.

This money is paid by the taxable citizens of the county.

Radical extravagance does not confine itself to the nation and the State—but has even exhibited itself in the office of District Attorney under Radical tenure.

THE *Evening Telegram* (Philadelphia Radical) of Friday begins a dolorous lamber as follows: "There is great danger that the Republicans will lose the City of Philadelphia next Tuesday week. There is at present a strong possibility that we will be defeated." This is a substantial abandonment of the contest in advance, as it has been conceded by the Radicals that as goes Philadelphia so goes the State, and that as goes the State so goes the Country. Wherefore, Governor Seymour is already as good as elected, the ablest Radical organ in Pennsylvania itself being the witness.—*World.*

Election Next Tuesday!

A PLAIN STATEMENT.

A few days after the Radical nominations were made, Judge Wilmans, Dr. Dill, Jos. Johns, and several others, including one Republican, happened to meet in front of Jesse Johns' blacksmith shop, in Petersburg. Judge Wilmans inquired what Miller, Dr Dill's opponent, was. The Dr. replied, "the young man who served a part of his time in this shop, with John Hoffman," who then had the place rented. The Judge said he remembered him—and here the conversation on the point stopped. It was all that was said, as we are informed by several of the parties present, men of the highest character and veracity, whose word has never been and cannot be impeached.

Now out of this unimportant conversation has the *Star & Sentinel* manufactured the charge that Dr. Dill reflected upon Mr. Miller's occupation," bellowing with all its might that the "interests of labor demand the defeat of Dr. Dill."

This is a small, an infamous business—a low piece of demagoguery, that should recoil on all having a hand in it.

Dr. Dill is an able and pure man—gentlemanly in his bearing towards others, calculated rather to win friends by his suavity of manner, than make enemies by harshness. Few men can have less faults than he.

McPherson evidently knows Dr. Dill's strength—his invulnerability, and hence makes a good use of the miserable falsehood he has exposed. But if McPherson thinks those concerned in "the interests of labor" fools or children, he will find himself badly mistaken.

NO SCRATCHING!

The Radicals are making a systematic effort to induce Democrats to scratch their tickets. They are at it all over the county, slyly, sneakingly, but earnestly. Democrats, WATCH THIS MOVEMENT! McPherson boasted at the Chambersburg meeting that a part of the Radical ticket would be elected in this county. *If* he meant it, the prediction was based on scratching by Democrats.

We hope that our party friends everywhere will set their faces sternly against so damaging a business, and wherever a disposition to scratch is seen check it in the most prompt and efficient manner. If Democrats turn out, and vote the clean ticket, the Radicals will be beaten out of sight. But Democrats must adhere to their party faith, as Radicals do to theirs.

Mass Meeting To-morrow!

A SPEAKER at a Radical meeting in Petersburg, a few nights since, "wondered what God Almighty made a Democrat for—everything was made for some wise purpose except a Democrat?"

Fellow Democrat, when you are asked by a Radical candidate to vote for him, tell him you were not "made" to support the candidates of a party whose leaders thus impiously denounce you. Stand up like men, anywhere and everywhere, and pay back such slanders in a way that will be *felt.*

COL. KUHN has long been one of the most active and useful citizens of the county. What he has is the product of his own hard work, tilling and improving the soil. His opponent has enjoyed OFFICE for a large portion of his life—enough to satisfy any reasonable appetite. He ought to be content, and rather help, than stand in the way of his old neighbor, Col. Kuhn. The people will no doubt see the "eternal fitness of things" in this case, and say to Mr Picking, "We have given *you* enough—stand aside!"

MCPHERSON'S shameless abuse of Dr. Dill is causing considerable remark. Men wonder why *he* should stoop to so small a business. We will tell them.

McPherson has an ax of his own to grind. He is after another office. He cannot hope to hold the Clerkship at Washington longer than this term. There will be a new deal for House officers—and he, with the rest, must go out. He has therefore a longing eye on the United States Senatorship. Charley Miller, in the House at Harrisburg, would suit his purposes exactly. Dr. Dill wouldn't. That makes all the difference—and accounts for McPherson sticking so tenaciously to a poor, transparent falsehood. Like hounds on a trail, some people get blind in the hot race for office.

Election Next Tuesday!

THE *Star* abuses Augustus Duncan, of Chambersburg, because he was defeated for Associate Judge in Franklin county several years ago, when it was yet Republican. The attack is as small as it is gratuitous, and looks as though McConaughy was the father of it.

McPherson should see to it that McConaughy gives him no more such "digs" in his own paper. He (McPherson) must have some recollection of the terrible defeat he encountered, not a long while ago, in a Congressional district cut out to be soundly and CERTAINLY Republican.

If he hasn't, the figures might be hunted up to refresh his memory. McConaughy thought of it when he penned the attack, and no doubt *meant to hit McPherson with his own club.*

PROTHONOTARY Kitzmiller has enjoyed the emoluments of the office for three years. He has received, now receives, and will continue to receive, $15 a month as a pension from the U. S. government.

Jacob Melhorn, an old citizen, who has worked hard all his life, and now for the first time comes before the people for a county office. He has excellent qualifications, as well as merit.

Kitzmiller has been well provided for. It would be no more than fair to give an old and meritorious man like Mr. Melhorn a lift too. Honest voters, think of this.

LIES! LIES!

The Radicals of this county seem to have nothing but lies to depend on to prop up their tottering fortunes. In the lower townships, for instance, they report that great changes are going on for them in the upper end—and in the upper end the same is said of the lower townships. All shameless, barefaced lies, without a particle of foundation, in the most remote degree. Democrats, put no faith in Radical stories of any kind.

IT is said that John Picking is pleading "poverty." It won't do—positively won't. The public know that he has been holding good offices nearly all his life. The "poverty" dodge is "played out" in his case.

RADICAL FIZZLE!

Are the Radical People also Sick of Radical Rule?

The Radical "mass meeting" here on Wednesday *was the most complete fizzle, more so even* than a fizzle in every sense.

The meeting had been announced for weeks, and considerable effort made to get up a large crowd. The country was even ridden the day before for the purpose of urging out the faithful.

On Wednesday morning the Band was started around town. Marshals hurried from one point to another, to keep approaching delegations. After a long "wait" a few vehicles from Gettysburg arrived; then a few horsemen, *a wagon and several buggies from Hamiltonban.* A solitary one-horse wagon, with a man and boy on it, came in the Emmittsburg road. The marshals and the leaders began to look blue. The more hopeful said, "Wait till Petersburg comes." And Petersburg *did come*—one two-horse vehicle and three buggies! This was the whole extent—no more. The marshals, disheartened and mortified, dismissed what few had congregated in the Diamond; *and no procession was had!*

There was much swearing—swearing at the Republican people for not turning out, and swearing at the leaders for not bringing them out. Deep disgust sat upon every Radical countenance. A few ventured excuses. "The farmers were seeding yet," said some; others suggested that gas pipe was were plenty, the Republican party may have gone pigeon-shooting!"

But nothing would "take." The demonstration was so palpable a fizzle as to render all attempts to palliate it ridiculous.

A stand for the speaking had been erected in the Diamond, around this about four hundred people, all told, men and women, (including darkies,) assembled in the afternoon. One of the Smith family, from Chester county, held forth, heavily, on Jeff. Davis, Isaac G. Hawley, at Connecticut, (with whom the smell of powder in the army did not agree,) was next introduced. He talked an hour and a half, mainly on the war, but all the time in abuse of the Democrats. He kept entirely clear of the innumerable wrongs heaped upon the people by the corrupt leaders of the Radical party. When he was done, the audience quietly retired.

A torch-light procession was announced for the evening, to relieve the mortification of the day. The Hanover club was despatched for, and a special train sent down. One hundred torches were expected. *About forty* only came. This was wet blanket No. 2! Instead, therefore, of a torch-light procession through the principal streets to wake up the "copperheads," the few lights on hand were taken to the Diamond, where speaking was again started. Hawley talked, of course, as did one Lloyd, from up the river somewhere, and another chap, from Virginia or Baltimore, nobody seemed to know which. The speeches were all made upon the usual Radical clap-trap. Living issues were ignored.

Gen. Banks, announced with such a flourish, was not here. Neither was Geary—probably caged by his more discreet friends.

This picture is brief—the subject was the "briefest" of the kind ever witnessed here. The noted "Wilmot fizzle," some years ago, was respectable in numbers compared with it, and positively excelled it in spirit.

Contemplating the whole affair, the inquiry occurs—Are not the Republican masses—tax-payers, working people—a tired of Radical negroism, infernle, extravagance and thieving, as the Democratic masses are? would be a happy state of things for the country if such were the case—and the hope is not unreasonable that it really is so.

—Now, Democrats, for the MASS MEETING TO-MORROW.

MASS MEETING AT PITTSBURG.

Mr. Pendleton addresses Thirty Thousand People!

The Democratic Mass Meeting at Pittsburg on Monday was the largest and most imposing demonstration that has ever been witnessed in Western Pennsylvania. The procession took two hours and fifteen minutes to pass a given point. Mr. Pendleton addressed thirty thousand people!

The torchlight procession in the evening was also immense—the workingmen turning out in great force. The enthusiasm was unbounded. The Radicals were thunder-struck.

NEW YORK IN A BLAZE!

One Hundred Thousand People Turn Out!

The Greatest Political Demonstration ever seen in this Country!

Letters from Gen. McClellan and Secretary Welles endorsing Seymour and Blair.

The grandest political demonstration ever seen in this country was made by the Democracy of New York on Monday night. The crowd of people in attendance numbered fully ONE HUNDRED THOUSAND! The whole city was in a blaze, produced by thirty thousand torches; innumerable fire works, lanterns, &c. Speaking was had from six stands, besides an immense meeting in Tammany Hall. The Radicals stunk into their holes, dismayed and disheartened.

Letters were read from Gen. McClellan, Secretary Welles, and others. Gen. McClellan says:

The work of the soldier is, I trust, forever ended, and it remains for the people to fulfil the great objects for which they, or their sons and brothers, were called to the field.

A restored *union* of States and hearts; an invigorated Constitution, to be firmly and faithfully supported; the maintenance of the national credit inviolate; a re-establishment of national and State rights in all their integrity—and thus true harmony and a lasting peace—these are the objects for which every citizen should now strive; and, believing these to rest in the success of the Democratic cause, by the election of the eminent statesman selected to represent the party, it is my intention to sustain that cause as a private citizen.

Secretary Welles says of the Radical party:

A party, so false to its professions, and to the principles which led to its organization, is not deserving of public confidence. I shall rejoice in its defeat, and in the triumph of those who are striving for a restoration of the Union, and a restoration of the States to their legitimate constitutions and constitutional rights.

The speaking was kept up until a late hour, the most intense enthusiasm pervading the crowd throughout. New York is good for a hundred thousand for Seymour and Blair!

THE candidacy for Assembly on the Radical ticket went begging, and *therefore* Charley Miller got it. Many Republicans laughed at and ridiculed the nomination. *We know this to be so.*

McPherson, however, is now trotting to make Charley an immense fellow—because, if elected, he might make use of him. "That's all that gives Miller such sudden importance. What transparent demagoguery!

WE hoped to get through this campaign without personalities. The *Star* will do otherwise. Radical candidates must thank their own organ for starting the game.

The People of Adams Awake!

They are Tired of Radical Extravagance and High Taxes—Negro Bureaus and Military Rule!

THEY DEMAND A CHANGE!

Large and Enthusiastic Meetings!

HUNTERSTOWN.

The meeting at Hunterstown, last night week, was large beyond expectation. The officers were:

President, P. S. Deibert, Esq.

Vice Presidents, Henry Albert, Henry Little, Peter Miller, Jacob C. Pittenturf, Philip Donohue, Samuel Wolf, George Hagerman, John Johns, John Lynch.

Secretaries, Jesse Weiz, Theodore Taughinbaugh, Abraham King.

Able speeches were made by Judge Kimmell and W. A. Duncan, Esq., after which a procession was formed and marched through town, preceded by [illegible] music. There was [illegible] throughout.

ABBOTTSTOWN.

The meeting at Abbottstown, on Friday evening, proved to be a grand outpouring of the people. The Radicals, a few evenings previous, had a meeting in the place, turning up mainly from Hanover, [illegible] considerably over it. This aroused the Democratic blood of the town and neighborhood, and active preparations for Friday evening were at once entered upon. The Democrats were not content merely with a meeting—they must have a Pole Raising too. And they had [illegible] 126 feet long, erected after dark, safely and with considerable expedition, under the efficient management of Dr. Kochenour, and several others who assisted him. The number in attendance was from four to five hundred. The organization consisted of:

President, Henry Miller, Esq.

Vice Presidents, Michael Dellone, Jesse Bucher, Frederick Wolf, Dr. D. Kochenour, Jonas Dull, Henry Moul, A. K. Stoner, A. J. Bowers, F. J. Wilson; Dr. W. J. McClure, Anthony Thoman, Jesse Bolliuger, Samuel J. Brady, David Newcommer, Jr., Charles H. Ruff, John Bushman, Capt. H. Chritzman, Maj. D. J. Benner, George Davis, Henry Staley.

Secretaries, Joseph Wolf, Samuel A. Wertz, C. E. Kuhn, John Snyder, Andrew Baker, James McLain, Cornelius Golden.

Calvin M. Duncan and Judge Kimmell addressed the meeting at length, and very effectively, when it adjourned, with hearty cheers for Seymour, Blair, and the whole ticket.

LITTLESTOWN.

A stunning demonstration!—*the largest night meeting ever held in the county!*

The Radicals had their meeting the evening previous, and with delegations from Gettysburg and Hanover, got up a considerable crowd. They bragged—boasted largely that the "copperheads couldn't beat it." The live Democrats of the lower end were not to be bantered; they took up the gage, and went to work.

The train from Gettysburg improved on the number the Radicals had, the Democrats from here numbering about one hundred; more got aboard at Hann's Station; Oxford contributed *seventy*, to three for the Radicals the night before; Myers' switch furnished a number; Hanover gave us three hundred, to half that number the night before; the McSherrystown road crossing contributed a delegation, as did Sell's Station, putting up the crowd on the train to full six hundred. And then at Littlestown! People everywhere—all over it—numbering from 1,500 to 1,800! And such life—such enthusiasm—it was enough to make a white man feel good for a month. A procession, with torches and transparencies, and striking representations of the "Freedmen's Bureau," "Taxes," &c., marched the principal streets, preceded by the Littlestown Band and the Gettysburg martial music. Cheer followed cheer during the entire parade. It was in truth a lively time.

After getting back to the Railroad House, an organization was had, the *street up and down being jammed* with people. Hon. Wm. McSherry took the stand, and after a brief but telling speech, proposed the following list of officers, which was unanimously adopted:

President, Amos Lefever, Esq.

Vice Presidents, John Diehl, Josiah Baumgartner, John Hahn, Ephraim Mehrley, Simon S. Bishop, David Rohrbaugh, George Hesson, William Staub, Jacob Klunk, John Geo. Wolf, James Feezer, Andrew Hahn, James Spalding, William Dittera, Joseph L. Shorb, Barney Aumen, Phus P. Fink, Jacob Fox, Lawrence Brant, Hon. D Ziegler, H. D. Wattles, John Buff, Abraham Sheely, John Stock, John Stough, Capt H. Chritzman, Adam Rebert.

Secretaries, John Hickle, Jeremiah Lambert, John F. McSherry, John Hoff, John H. Spaulding, Peter Greenholtz, John Eline, Major D. J. Benner, C. E. Kuhn, Dr. W. J. McClure, John U. Ruff.

Judge Kimmell made one of his most powerful speeches—Republicans themselves acknowledging that Cessna's effort on the previous night was a mere fizzle compared with it. The Judge was not only heard with close attention, but his remarks elicited frequent and uproarious applause. He was followed briefly by H. J. Stahle and W. F. Dean, when the meeting adjourned with such cheers as must have sent terror to the hearts of all Radicaldom in the lower end.

—The Railroad House, at which the speaking took place, is now kept by our former townsman, C. B. Hines, Esq.; a very clever man and a first class landlord. He had everything provided the inner man could wish.

GETTYSBURG.

The Democracy of the upper end assembled in respectable numbers at Greiffenberg Springs on Saturday evening last, and organized as follows:

President, Alexander Kain.

Vice Presidents, George A. Cornell, Wm. Kain, Isaac Kaufman, Samuel Branthafer, Robert Dull, Wm. Rife.

Secretaries, Wm. Bush, Amos Martin, Wm. Carbaugh, Jacob Shoemaker.

The issues of the campaign were ably and fully discussed by J. D. Newman and W. A. Duncan, Esqs., after which the meeting adjourned in fine spirits.

NEW CHESTER.

This was a complete surprise. We went there to address, as we supposed, a Club meeting. Judge of our wonder to find several hundred people assembled. Two bands of martial music were in attendance, to enliven the occasion, and they did. Ex-Sheriff Thomas called the meeting to order, and read the list of officers, as follows:

President, John Eyster, Esq.

Vice Presidents, John Thomas, Thomas N. Ducks, John Buff, John Stock, David Holtz, Wm. Gallagher, William Cashman, Henry Staub, Emanuel Neidich, H. J. Myers, Geo. Mackley, Philip Donohue, Wm. Bingaman, J. C. Leydelsberger, George Ehrehart, George Marsden.

Secretaries, Samuel March, Peter McIntire, Benjamin Leydelsberger, Jacob Pittenturf, Solomon Miller, Theodore Taughinbaugh, Wm. Thomas of C., Charles H. Ruff, Solomon Brown.

Dr. McCurdy, of New Oxford, made a very sound argument on the issues of the day—and was followed by H. J. Stahle and Henry Thomas, Esq. The meeting then adjourned with cheers for the whole ticket.

Mr. Todt's house, at which the meeting was held, was decorated with flags and wreaths of evergreens and flowers, and brilliantly illuminated. Other houses in the town were also handsomely lighted up. The same may be said of all the public houses at which Democratic meetings have been held.

HUMMELSTOWN.

The Democracy of Franklin and Cumberland townships assembled in goodly numbers at Hummelstown on Tuesday evening. After stirring martial music, the following officers were elected:

President, James Rutzell, Esq.

Vice Presidents, J. Wesley Lott, James E. Ross, Adam Bucher, Levi Hummel, Benjamin Wisler, Tobias Roth, Joseph Hummer, Jerome Martin, Jacob Lady, Michael Miller, David McDannell.

Secretaries, Abraham Hart, Simon S. Smith, Jno. H. Stahle, George W. Lady, Noah Lott, John D. Arendt, Samuel Hershey, Elijah Vandyke, John Deardorff, George Funt, John Leech.

E. W. Stahle addressed the meeting briefly, and then introduced J. C. Neely, Esq., who ably discussed the financial and reconstruction questions. H. J. Stahle concluded the speaking. Meeting adjourned with cheers.

HAMPTON.

The meeting at Hampton, on Wednesday evening, was, we are assured, a rouser—delegations being present from all the neighboring towns.—Messrs. Neely, Duncan and Dill spoke. There was a long procession and great enthusiasm. The officers were:

President, John L. Taughinbaugh, Esq.

Vice Presidents, Wm. B. King, John Cline, Franklin Ramer, George Fire stone, Reuben Jacobs, John G. March, Henry F. Miller, Wm. H. Wagner, Samuel Helman, Singleton Eicholtz, Jeremiah Slaybaugh, C. W. Beitman, Jonas Chronister, Samuel M. Miller, Wm. S. Hildebrand, Jacob Miller, E. Neidich.

Secretaries, Edward Shaffer, Stephen Heiland, J. S. Taughinbaugh, Thomas G. Neely, Warner Townsend, John L. Toy, Daniel H. Myers, Wm. Forsythe, David Holtz, Peter Pentz.

GERMANY TOWNSHIP.

A large and enthusiastic meeting of the friends of Seymour, Blair, Kimmell and the whole Democratic ticket was held at Golden's school-house on Tuesday evening last. The following officers were selected:

President, John G. Byers, Esq.

Vice Presidents, Isaac Degroff, John Geo. Wolf, Christian Reck, Valentine Ulrich, John W. Davis, Jacob King, John Smith.

Secretaries, Peter G. Greenholtz, David Worley.

The Littlestown Cornet Band discoursed sweet music on the occasion, and effective speeches were made by Hon. William McSherry, W. F. Dean, Jacob Klunk and G. B. Yantis. Says the friend who writes the above facts, "Germany will give a good account of herself on Tuesday next." Not a doubt of it.

HON. ELI P. NORTON, of New York, will address the Mass Meeting to-morrow.

MCCONAUGHY is manifesting extraordinary anxiety on the State Senator question. He has two reasons.

First, Calvin M. Duncan's election would REBUKE the OUTRAGE under which McConaughy got the seat.

Second, McConaughy promised to secure relief for the border sufferers, and didn't do it—allowing his zeal, instead, to expend itself in log-rolling for appropriations to his "memorial" concern.

Calvin M. Duncan will work HONESTLY and EARNESTLY for compensation, and may succeed. McConaughy does not want Duncan to do what he himself would not or could not do. Hence his anxiety for Dixon's election, and Duncan's defeat. Dixon has no ability and can be of no service to the sufferers, in the Senate. McConaughy does not want the damages paid, and thinks Dixon's election will be sure to prevent their payment. This accounts for the venom McConaughy spouts at Calvin M. Duncan through the *Star & Sentinel.*

Mass Meeting To-morrow!

"A POOR BLACKSMITH."

Charley Miller was considered so poor a blacksmith in the government shop at Washington that he was set to digging out an old locust stump instead of continuing at blowing and striking. This indignity was put upon Charley by a very "oil" boss. Will McPherson pitch into *him?*

HON SAMUEL H. REYNOLDS, of Lancaster, will address the Mass Meeting to-morrow.

PLACE NO RELIANCE IN THEM!

The great game of the Radical leaders is BLUFF. They blow, and brag and offer to bet, and cry loud, that their success is certain, for the purpose of keeping up their courage. *They know that the tide is running* against them; they know that the honest and oppressed laboring men of the country are leaving them by hundreds; they know that unless they can perpetrate some GIGANTIC FRAUD upon the people, that they will not stand a shadow of a chance at the coming election, and in the hope that they can cheat the *people* out of *their* choice, they are lying about their chances—lying about their candidates—lying about their record—lying about their opponents—lying about their intentions—lying about everything that enters into a campaign. BELIEVE THEM NOT! They LIE WILFULLY, BASELY and *cowardly! Beware of them!—Watchman.*

HON. GEORGE W BREWER, of Chambersburg, will address the Mass Meeting to-morrow.

IF the editors of the *Star & Sentinel* permit McConaughy to vent his personal spite in editorials, the character of their paper will soon be reduced to the standard of the *Star* of former days.

Would it not be well for the aforesaid McConaughy to examine the significant reflection upon his course, in the resolutions adopted by the Republican Conference when Mr. Dixon was nominated—especially that part *italicized* by the *Repository* referring to HONESTY—and then take care of his glass house?

CONNECTICUT.

The Town Elections show Handsome Democratic Gains!

NEW HAVEN, October 7.—The returns from the town elections in this State, tell a very pleasing tale for the Democrats. The Democrats carry all the large cities and gain several towns. Returns show Democratic gains almost every where. Seymour and Blair **will carry Connecticut undoubtedly** by a largely increased majority over last spring. The Jackson Guards are parading the streets and the Democrats are jubilant.

HARTFORD, October 8.—Later returns confirm the good news received last night. The Democrats have gained in nearly all the principal cities and towns on the vote cast last spring, with the exception of New Haven, and in that city their majority is larger than it was last fall. Connecticut is certain for Seymour and Blair.

NEW HAVEN, Oct. 7.—The returns from all the towns of the State are now in and of a most cheering character. The democrats have for the first time in fifteen years carried a majority of towns.

DELAWARE.

Glorious News from Wilmington, Del.—Radical Majority Decreased Three Hundred in One Month.

[SPECIAL TO THE AGE.]

WILMINGTON, Delaware, October 6.—The Democrats of this city did their duty nobly today. At the last election held here, the Radicals elected their ticket by a majority of three hundred and fourteen. In the face of this discouraging fact, the Democrats went to work, determined to redeem themselves, and, if possible, snatch the city from Radicalism. They covered themselves with glory, and the Radicals carried the city by only 9 majority, a Democratic gain of 305 in one month. The Radicals cannot crawl out of this overwhelming defeat by saying that they polled a light vote. They did their best, and this is the result. A glorious victory awaits us in November. We will give Seymour and Blair a decided majority in Wilmington.

New Castle county, gives a Democratic majority of 612—a gain of 401 over the vote of 1866!

Don't Trade.

An effort will be made by the Radicals to trade off part of their ticket to secure the election of the balance. Accept no such proposal. You make nothing by it, and risk the defeat of some of our candidates, ALL of whom will be TRIUMPHANTLY ELECTED, *if each man but does his duty.* Go to work for the whole ticket—for every man on it from top to bottom, and spurn all offers to trade any one of them off.

More Help!

Hon. Robert J. Walker, formerly Secretary of the Treasury, has just written a letter to a friend in Philadelphia, in which he says:

"Nothing but a total change of policy will save us from national bankruptcy. This change of policy must be based upon a vast decrease of our annual expenditures. We must abolish the Freedmen's bureau; we must recall the army from the South and reduce it to a moderate peace establishment; we must terminate there the joint rule of the negro and the bayonet, and slavery and secession having been forever abandoned, permit the Southern States, in obedience to the Federal constitution, to govern themselves as before the rebellion."

This looks as though Mr. Walker intended to place *him-self* on the democratic platform again. Welcome back!

VOTE FOR A NEW LEGISLATURE.

The expenses of the last Legislature were enormous, astounding.

Shall we continue in power a party that increase upon us, yearly, debt and taxation?

People of Pennsylvania, consider your own interest and elect a

DEMOCRATIC LEGISLATURE.

SHALL IT BE SAID?

Democrats! shall it be said that you have not done your whole duty after TUESDAY NEXT. Let every friend of good government *be at his place of voting on that day!* Pennsylvania must not be lost through want of activity on our part. Begin the work at once, friends—earnestly and unflaggingly—and VICTORY will crown our efforts.

As the Democratic musicians were leaving for the Hampton meeting on Wednesday, Hawley, then on the stand, stigmatized them as "a portion of Lee's army." Nearly all of them were in the Federal army and served *out their terms faithfully. He left it* to take a fat office at home. Who showed more real patriotism?

REMEMBER that the name of the Democratic candidate for State Senator is *Calvin M.* Duncan, and the name of the Democratic candidate for District Attorney *William A.* Duncan. Radicals may try to get Democrats to mix them up—to transpose them. Our friends are warned to keep their eyes open for the trick, should it be attempted.

THE Radical journals, unable to find converts to their destructive party, are compelled to publish the names of Republicans as supporters of Grant. As an instance of this, the name of James T. Brady, of New York, may be cited. They say he will support Grant. If he does not, it will be a gain for the Democrats. If he does, it will be no gain for anybody, but simply a Republican vote *for* a Republican candidate. Radical editors must be hard run for capital.

THE Radicals are very fearful that the Democratic Mass Meeting to-morrow will far excel theirs of Wednesday. Of course it will. The people are tired of negro and thieving Radicalism, and will so demonstrate to-morrow.

THE so-called Radical convention of "Boys in Blue" in Philadelphia, which came off on Thursday and Friday last, was a failure. The real intent of the convention was to transport a large number of bogus soldiers and others to Philadelphia, to have them assessed, and vote on the 13th instant. In this they were frustrated by the watchfulness of the Democrats.

IT was scarcely to be expected that A. J. Cover, the Republican candidate for District Attorney, would, in addressing a jury, manifest his old Know Nothing hatred of foreigners, by attacking their nationality, and then have the effrontery to solicit their votes—thus adding insult to injury.

HAVE you heard the news from Delaware?

HAVE you heard the news from Connecticut?

ONE would suppose, from the way McPherson and McConaughy are hugging Charley Miller, that they regret that they were not both blacksmiths! Mechanics understand these kid-gloved office-hunters.

Local Department.

TOWN, COUNTY AND SURROUNDING COUNTIES.

Sacrament.—The sacrament of the Lord's Supper will be administered in the Marsh Creek Church on Sabbath morning, the 18th instant—preparatory services on Saturday, at 10½ o'clock.

Change.—Messrs. Wm. Tipton & Robert A. Myers have purchased the Daguerrean Gallery of C. J. Tyson, on York street, and will continue the business under the name of Tipton & Myers. They are both practical operators and young men of energy.

Eagle Shot.—Thomas Livingston shot a Bald Eagle, five feet two inches from tip to tip of the wings, on Saturday last, on the premises of Samuel G. Deardorff, near Huddlesburg.

Big Corn.—Emanuel D. Keller, of Cumberland township, sent to our office, the other day, two mammoth ears of corn—one containing 22 rows, with 50 grains to the row, making 1,350 in all. Can anybody beat it?

Marsh Creek Club Meeting.—The Democratic Club of Cumberland and Highland townships will meet at Francis Brandt's, on MONDAY EVENING NEXT. Every Democrat in the two townships is requested to be present.

Something Handsome.—Chambersburg will be represented at the Mass Meeting here to-morrow by a delegation of thirty-seven mounted men, wearing sashes, and each bearing aloft a handsome streamer with the name of a State upon it. The effect is said to be very fine. They will be accompanied by a capital brass band, and probably a large delegation.

The Mass Meeting To-morrow.—Excursion Train.—An excursion train for the Democratic Mass Meeting here will leave Hanover to-morrow morning, at 8.30 A. M., passing Oxford at 9 o'clock, and arriving at Gettysburg at 9.45. Returning will leave Gettysburg for Hanover at 5 P. M. Fare for round trip from Hanover 75 cents, Oxford 50 cents, Gulden's and Hann's Stations 25 cents. Tickets must be procured before entering the cars, or full fare will be charged. It is hoped that all not otherwise provided for, will avail themselves of this cheap train to come to the Bog Meeting.

Horse Railway.—Gettysburg is looking up—is to have a Horse Railway! The Katalysine Spring Company have had a survey made for such a work between town and the Spring, starting at the Freight Depot. The enterprise is to be pushed forward with vigor.—Success to it!

Accident.—On Wednesday last, as Mr. John Winebrenner and Rev. Mr. Horine were driving, in a buggy, across the railroad in Carlisle street, the horse became frightened by the whistle of a locomotive, and ran off, badly breaking the vehicle, and bruising both the gentlemen—Mr Horine somewhat severely—but, we are happy to say, neither seriously.

Property Sales.—The following property sales have recently been made in Abbottstown: J. F Kohler sold his house and lot to N. P. Griest for $1,600; Mrs. John M. Wolf a house and lot to Tempest Wilson for $1,500; Michael Strubinger a house and lot to Washington Metzgar for $1,860; Peter Miller a house and lot to Mrs. Sowers for $975; Wm. Bittinger, Esq., a house and five acres of land to Samuel Kinnemund for $1,800.

Hon. S. R. Russell has sold a lot on

The Gettysburg Compiler.

TWENTY-FIVE CENTS!

FOR THE LAST MONTH.

The COMPILER will be issued from this time until after the Presidential election at *Twenty-five Cents!*

CHOOSE YE!

All who vote the Democratic ticket next Tuesday vote for ECONOMY and REFORM!

All who vote the Radical ticket vote for continued EXTRAVAGANCE, STEALING, and SUPPORT OF NEGROES IN IDLENESS AT THE PUBLIC EXPENSE!

TAX-PAYERS, CHOOSE YE!

"Down with the white man and up with the colored man," was the motto carried in a Radical procession at Atlanta a few days since.

WHITE men have to make their own living in this country or starve. Negroes are provided with rations and clothing by a Freedman's Bureau.

SINCE the New York nominations, *nine* Republican papers in Iowa have turned over to the support of Seymour and Blair.

BEAST BUTLER has been re-nominated for Congress, but the Radicals in his district have put up Dana, another Radical, against him. Benjamin will have a hard road to travel.

LOOK at Ole-ana's portrait, drawn by a prominent Republican, on our first page.

"WORKINGMEN pay one-half of their wages in taxes, in the shape of high prices for all they eat, drink or wear."

VOTE FOR A CHANGE! You can't make matters any worse.

EX PRESIDENT FILLMORE is warmly for Seymour and Blair.

JOHN QUINCY ADAMS, of Massachusetts, will speak in several of the States for Seymour and Blair. The work goes bravely on!

VOTE over whole COUNTY TICKET! it is the representative of every principle of good government, and every man on it is a Democrat good and true.

☞ Remember the Election, TUESDAY NEXT.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous, and attest the power of scrofulous disease, when the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of the deadliest and fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, in some favorable season, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or it may corrupt the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla in the spring, when the scrofulous symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this SARSAPARILLA: *St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions or visible forms of Scrofulous disease. Also, in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilitic Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long-continued use of this medicine will prove entirely eradicative. Leucorrhœa or Whites, Uterine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matter in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising as they often do from the retention in the blood of poisons that Sarsaparilla is a great restorer for the strength and vigor of the system. Those who are languid and a burden, Despondent, Sleepless, and troubled with Spectres in the shape of pains or fears, or any of the wretched symptomatic of Weakness, will find tranquillizing relief and convincing evidence of its extensive power upon trial.

AYER'S

HAIR VIGOR,

For the Renovation of the Hair.

THE GREAT RESTORATIVE OF THE AGE.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color and the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. *Nothing can restore* the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. *Instead of soiling* the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil, nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

CHARGE FOR VICTORY!

WHITE MEN, PAY YOUR TAXES!

The monthly statement of the Secretary of the Treasury for August and September, concludes as follows:

	August.	September.
Total debt		$2,653,250,269.01
Amount in Treasury		
Coin	$83,400,947.03	92,570,961.21
Currency	26,651,378.21	15,071,070.77
Total	$110,051,270.14	$107,641,971.98
Amount of debt less cash in Treasury	$2,523,191,180.07	$2,545,614,314.03

showing an increase from the 1st of August to the 1st of September, of $12,079,833 36,

Twelve millions, seventy-nine thousand, eight hundred and thirty-three dollars and thirty six cents.

It is a nice pile, tax-payers, to add in one month to the enormous load that has been bearing you down.

Twelve millions per month.

One hundred and forty-four millions per year!

Look at it!
Figure it up!
This is not the debt, but the INCREASE of that debt. The amount that is added to it yearly. The rapidity with which it grows. Is it not startling?
How are the tax-payers of the country to get rid of the load that is now bearing them down, when in place of being decreased it is daily being increased.
Radicalism has during the past year taken from you

500 MILLIONS OF DOLLARS,

or in the shape of direct and indirect taxes. And yet with this enormous amount of money collected from the unrelenting taxed masses of the country—*six times as much as a Democratic administration cost you*—it still falls short of paying the expenses of a Radical administration.

144 MILLIONS OF DOLLARS!

How long can the country stand this kind of squandering of the public money? How long can it afford to pay thieving officials and lazy loafing negroes per year

644 MILLIONS OF DOLLARS?

For it is to these two classes that the most of this exorbitant sum goes. The actual, real expenses of the government need not be over *one hundred millions of dollars* per year. The Democracy carried on the government, maintained peace, union and prosperity, and the greatest amount of money ever expended by them during any one year, summed up

81 MILLIONS OF DOLLARS.

We have peace now. There is not an armed enemy within our borders.—There is not a threat of war from any power. There is not even an imaginary danger in any quarter. Why then, in the name of high Heaven, should the expenses of the government be what they are? Why should five hundred millions of dollars be wrung from the people annually to carry on the government, and one hundred and forty-four millions of dollars be yearly added to the public debt?

What has become of the money?

We want the party that is squandering it in this outrageous manner to answer. We know that there is a Freedman's Bureau to feed and clothe and school and enfranchise negroes, kept up at an expense of twenty million dollars per year. We know that there is an army maintained to prevent the people of the South returing to their agricultural and business pursuits, at an expense of one hundred and fifty millions of dollars annually. We know that there is a Navy, used almost exclusively to carry lazy officials and thieving followers on pleasure and excursion trips over the Atlantic, at a cost to the people of about thirty-five millions of dollars per year. We know that the Interior Department of the government costs about fifty millions per year. We know that eighteen millions of dollars in gold, is taken from the public treasury yearly, and given to National Bank controllers. *But what becomes of the balance after paying the interest of the bondholder?*

Do you believe in this manner of conducting public affairs? Do you believe in this Radical mode of financiering, by which you, the tax-payers of the country, are yearly ROBBED of *five hundred millions of dollars?* If you do, if you wish to continue a party in power that costs you six hundred and forty four millions of dollars annually, vote for Grant and Colfax. If not, elect Seymour and Blair, and the government will be administered as it was in the good old days of Democratic peace and prosperity, when the entire expenses of the administration for one year amounted to but *eighty-one millions of dollars.*—*Carlisle Volunteer.*

"SHINNY ON YOUR OWN SIDE,"

John Cessna electioneered, the other day, with a relative of his, a Democrat, in this wise: John asked his kinsman to vote for him. "How can I do that, John?" was the question in reply. "If I do, I vote to tie Seymour's hands, and I am a Seymour man." "Oh! that's all right," replied John. "If Seymour is elected and I am elected, I will be the greatest Democrat among you and will support all his measures!" We have this upon the best authority, *and can prove it if called upon.* We advise the Radicals to keep a look out for Johnny. Let him "shinny on his own side." We can't allow him to come back to us unbeknownst to himself.—*Bedford Gazette.*
